Moderator: Today's attendees from our

In my view, what assets you have is most

Next, I would like to explain

Now I would like to explain the IT revenue by product. This is on a constant currency basis.

Starting with Imaging, compared to last year, there was

Lastly, with the HDD substrates, as we mentioned in the previous presentation, we were expecting a decline

Now the guidance for this fiscal

And as for HDD substrates, compared to Q4 last year, a negative 25% is the kind of recovery we are expecting as of today. The customers have

Now let us move on. We would like to cover the topic of the new endoscope

Katsura [Q]: Thank you very much. Now my second question is related to EUV, if you can share with me your thoughts, Ikeda-san. The customers' development activities, have there been any changes compared to the activity three months

Yoshikawa [Q]: I’m Yoshikawa of Morgan Stanley. My time on the development rather than working on the line. As Hirooka-san mentioned earlier, just like the HDD substrates, we won't be closing the
